

INSOMNIA

MORE TIME FOR WINE

TASTING NOTES

This is a markedly complex wine with aromatic notes of Asian pear, star fruit, some lean lemon notes, with very subtle hints of fresh sea salt, and Thai basil. The mouth entry is smooth and supple, and there are flavors of marmalade and acacia honey (very subtle) and a white floral component. The finish flows with an ethereal chalkiness that drifts gradually.

FOOD PAIRING

Enjoy this food-friendly wine with lightly seared scallops or other favorite shellfish, pasta with cream sauces, Thai curries, or rich dishes like pan-seared foie gras.
