2017 CENTRAL COAST
CHARDONNAY

POINTS

Relaunched with its new parent company, Summerland Wine Brands, this is a beautiful start for this label, which originated in Santa Barbara County. Aromas of oregano and lemon verbena are bright with a whisper of savory. Its clean, crispness shines with the highlight of fine acidity sparked by lemon blossom. The mouth-watering tanginess is connected to flavors of salted pears, tarragon and a butterscotch finish.
